

Soundbox

Den Box wird geladen wenn Sie den Stecker am Unterseite stecken.

Ohne Stecker kann man den Soundbox auch draussen benutzen.

Beachten Sie das den Box im Schatten steht und nicht nass wird. Nach Gebrauch wieder drinnen stellen und auch wenn Sie weggehen.

Set up – einfachste Weise

- Stecken Sie den USB kabel vom Telefon/ipad im Libratone Speaker.
- Schalten Sie den Musik ein auf Ihr Telefon/ipad.

CLASSIC ZIPP BT - IPHONE/IPAD/IPOD/MAC - USB CABLE SETUP

We have done everything in our power to make your Libratone sound system as simple and user friendly as possible. Read below how to get started.

Use your iOS device and the iOS USB cable to send music to the Libratone speaker. Setup is simple: Connect your iOS USB cable between your iOS device and your Libratone speaker and let the music play.

Set up mit Android Telefon (kein iPhone).

QUICK DLNA SETUP

Android / PC

Full manual and warranty sheet on libratone.com

1

Press the **Logo Button** to turn speaker on.

2

Press and hold the **Wi-Fi button** for two seconds until the **Logo Button** pulses white. When it emits a white sequence (takes up to 20 seconds) it's ready.

3

Open "**Wi-Fi settings**" and connect to the speaker's network.

4

Open a browser and type "192.168.1.1" and follow the Wi-Fi setup instructions.

5

Wait for your speaker to restart. The **Logo Button** breathes white when ready.

6

Open a DLNA Music Player. Select your speaker and press play to set your music free.

Set up mit iPhone/iPad

QUICK AIRPLAY SETUP
iOS 7 or later
Full manual and warranty sheet on libratone.com

1 Press the **Logo Button** to turn the speaker on.

2 Connect your speaker and iOS device with a USB cable.

3 Press **both buttons** simultaneously for "Share Wi-Fi Settings?" to pop up.
